A Word from the East

Hello Everyone, from FOB Shield in the "RED ZONE" heart of Baghdad.

(Brother Matt was transferred to a different base and his leave was delayed from March until May. Worshipful Brother Bryon Zimmerman will be WM-pro tem in March.)

A Word from the West

One of the duties of the Senior Warden is to help maintain harmony within the lodge. Thankfully no one has made my job difficult during our meetings. Harmony means a compatibility in feeling or opinion.

Notice the word used "compatibility" and not "equality" or "similarity". I like the musical definition also: A pleasing combination of elements in a whole. We are all different, with different ideas, viewpoints, experiences, and so on. All of us will never always agree. But what is important for the fraternity (and our families, communities, nation, and world) is that they are compatible. Compatible meaning agreeable, congenial, and mature. So we can agree to disagree, and still be friends and brothers. And this should be something we endeavor for in all our actions with mankind. Your Senior Warden is here to help you.

This month we are having several opportunities to get together other than a lodge meeting: a dinner out, a friends night, and a breakfast. I hope you can find the time to make at least one of these and add your own voice to our harmony.

From the South

The beauty of the day means many things at various times. It is not always an easy thing to see because we are not always looking for the beauty of the day. Have you ever thought about how what Masonry has done for you may be the beauty of an otherwise troubling day? A part of

your Masonic wages is the joy you can complete in others. That is another instance of the beauty of the day. Look for your own examples of the beauty of the day. They are there for your discovery.

New Master Mason!

At the first stated meeting in February we raised Bro. Jeff Kelm and welcomed him to the Master's Lodge. Congratulations Bro. Jeff!

The other MM ceremony that was snowed out is rescheduled for Tuesday, March 9th. Please come out and assist in the raising of Bro. Rick Seidemann.

Open House/Friends Night

Our first scheduled Open House and Friends Night will be on Tuesday, March 23rd (4th Tuesday) at 5:30 P.M. There will be time to tour the lodge and it will feature a presentation by Bro. Robert Roth, a distinguished speaker and Past Master of Freemason's Lodge #363 in

Milwaukee. He will show the short video made in Freemason's Lodge of the late Bro. Lee Sherman Dreyfus, former governor of Wisconsin. Following will be a meal from Rupp's Downtown. All members and their families are invited to attend, and please bring along a friend or someone who you think may make a good mason. Please R.S.V.P. to Carl Peterson or the Lodge so we can get an accurate count for ordering dinner.

DeMolay Adult Training

On February 20th four potential adult advisors for the future Sheboygan chapter of the DeMolay participated in training during the State Sweetheart Weekend in Appleton. Bros. Rick Butler, Job Hou-Seye, and Carl Peterson, along with Wendy Hou-Seye have brought us one step

closer to getting a chapter started locally. The next step will be to begin a recruiting program. Details on the kickoff event will be forthcoming, but the idea of having a Wii Sports tournament and inviting local youth has been seriously discussed and has shown to be very popular in other cities.

Breakfast Rescheduled

This month's breakfast that was originally scheduled for Saturday the 6th to coincide with the WM's presence in Sheboygan while on leave has been rescheduled to the 27th.

Family Get-Together

We are having a get-together with our families at Frankies on Indiana Avenue on Saturday the 6th around 5:30 P.M. Frankies is the old Highlander Pub if you remember that. Come on out to eat, have a drink, or just visit.

Lighter Side of Masonry
