A Word from the East

Brethren,

Last month my message concerned fraternity and brotherly love and how it is taught to us in the Entered Apprentice degree in the Psalm. This month I wanted to concentrate more on the duty of an EA when it comes to furthering knowledge. Just like the operative apprentice in the stoneworker guild who is learning a trade so that he can become a journeyman fellowcraft, an operative mason is likewise increasing his knowledge to advance to the next degree.

In Freemasonry, though, we never stop being Entered Apprentices. Our duty to increase our knowledge is never ended while walk the earth. We continue to learn, not just to make us well-rounded men, but to that we can become closer to God, who is all-knowing. For it is the never-ending search for divine truth that is our quest in life.

Brother Carl Peterson, Worshipful Master

Friends Night

The Lodge will be holding a friends night on Thursday April 28th at 5:30. This would be a good time to have some of your friends come down and check out the lodge and see what Masonry is all about. Please RSVP to 920-457-3111 by April 26th to ensure a place at the dinner table.

DeMolay News

State staff from Wisconsin DeMolay attended the April 5th stated meeting and introduced a restructured officer corps. Executive Officer Al Iding, PGM and Bro. Rick Itzenhuiser apologized for the delay in processing our paperwork for a Sheboygan chapter, and promised that they were extremely interested in having a chapter here and would do whatever they could to help us make it so.

Lighter Side of Masonry

The Master of the lodge and his two wardens went golfing one day. As they were about to tee off the first hole the course marshal came and asked if a young woman could join their group. Being a charitable group they all agreed.

She turned out to be a scratch golfer but on the 18 th. hole she drove the green in two and was about to put for eagle. She then ask the three brothers if any one of them helped her make the put she would be eternally grateful.

Well then, the Junior Warden look at the put and told her it was uphill and broke to the right.

The Senior Warden being a more expert workman looked at it second, and said "That is partially correct but five inches from the hole it breaks back to the left.

Well the Master of Lodge then took his turn. He looked at the put carefully and then went over to the ball, Picked it up and exclaimed "It's a gimme !!!"

April Anniversaries

Laurence Jackson 4/7/1992

Robert Barr 4/11/1967

Phillip Waitkus 4/23/1983

Jerome Silvey 4/25/1974

Larry Hinze 4/27/1965
